GIVING AWAY the Control of Michigan's Votes to NON-Michiganders!

The National Popular Vote
 Sales Pitch: "Use Michigan's State sovereignty to GIVE AWAY a lot of Michigan's State sovereignty! You're allowed to do that, so do that!"

Just because you CAN do something has never meant that you SHOULD!

And, what does "The NPV 'preserves' the Electoral College" actually mean? It means

When YOUR Legislature signs YOUR State up for the NPV Scheme - - here is who will decide who Your State's Electors are.

When YOUR State Joins the National Popular Vote scheme, here is who your Legislature has turned the CONTROL of YOUR State's Electoral Votes to, and HOW MUCH Control they have of YOUR State's Votes

Your individual vote will count as 1 among 158,399,926 other popular votes.

Based on actual results of 2022 Presidential Elections held in 50 States, plus DC.

Keep Our 50 States

that they are constrained by the Electoral College and CAN'T get rid of it, despite their strong desire to do just that! It also means that **these will always be MICHIGAN's Votes to choose the President of the United STATES!**

ONLY IF Michigan joins the NPV contract scheme will Michigan voters exert only 3.5% of the decision of WHO MICHIGAN Votes for! The other 49 States – even the ones who refuse to join this terrible NPV contract – will make 96.5% of MICHIGAN's choice! There are 7 States who will EACH have a stronger voice in who Michigan Votes for than what MICHIGANDERS will have! **The State of OHIO, at 3.7% of the "national popular vote", will exert more control over who Michigan Votes for than anyone from Michigan will have! Florida voters will control 7.0% of MICHIGAN's Votes!**

When NON-Michiganders control 96.5% of Michigan's Votes, do you REALLY think that the political campaign apparatus will spend MORE time in Michigan, as the NPV sales pitch promises, or less?!

But it gets even WORSE -

The NPV is NOT a national law, despite what you have been left to believe. It is a simple CONTRACT of Collusion among 20 or 21 States. **Probably 27, 28 or 29 of our 50 States will never join this dangerous NPV scheme!**

That means under the NPV scheme, all 49 OTHER States control who MICHIGAN Votes for, while Michigan voters are given NO SAY WHATSOEVER in the decision of who the 27 to 29 NON-Compact States Vote for! Ohio and Florida combined will control 10.7% of Michigan's choice, but Michigan voters will get NO SAY whatsoever in either Ohio or Florida! That is because Ohio and Florida – and 25 or more other States – will not join this dangerous National Popular Vote scheme and will keep 100% of their OWN Votes!

The National Popular Vote Interstate Compact scheme is simply a Contract that makes voters across America very UNEQUAL!

PLEASE urge your Lawmakers to STOP the National Popular Vote in Michigan.
